

Press Release

Casappa SpA completes the acquisition of 100% of the share capital of Benvenuti Srl

Parma (PR), 09 November 2023: Casappa SpA, a global leader in the construction of pumps, motors, filters and hydraulic systems based in Parma, completed the acquisition of 100% of the share capital of Benvenuti S.r.l, an Italian Company headquartered in Sant'Ippolito (Pesaro Urbino).

Benvenuti Srl is a Company strongly specialized in precision machining and employs a workforce of about 70 people, with annual sales of 9.3 million/Euro in 2022.

The Company is an historical Casappa supplier and has 60 machine tools equipped with modern and cutting-edge technologies for customized machining of Casappa components.

“Acquiring Benvenuti Srl”, said Filippo Casappa, Casappa Group CEO, “is a natural step to strengthen the Group’s supply chain, reducing risks and further ensuring business continuity”.

Benvenuti Srl founders, Matteo e Luca Benvenuti, will continue to be involved in Company activities, consolidating the ongoing collaboration and solid, long-lasting relationship of trust between Our companies.
